

# Welcome to the Wine Club

When you join the Miraflores Wine Club, it's a special invitation to enjoy the luxury of our handcrafted wines.

Miraflores has been producing award-winning and top-rated wines for over 15 years, and we are proud to offer a wide range of varietals grown here on our scenic 42 acres of vineyards.

## The Details

There is no membership fee to join. The only cost is the wine, plus applicable tax and shipping fees. Simply complete the Miraflores Wine Club application and call or email us the form (Members must be 21 years of age or older).

If you are unhappy with your wine club selection or would like to try a different wine, we are able to swap your club wines with other wines of your choice at the time of pick up. Due to the various prices of the wine, this may result in either a credit to your account or a charge in which you would have to pay the difference.

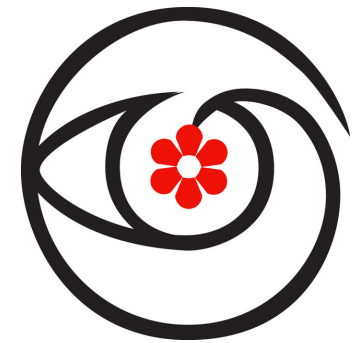

Your signature on this form authorizes Miraflores Winery to charge your credit card on the 1st (following business day if the 1st falls on a holiday) of the month for each of the wine club releases in the club you select.

After you fulfill your commitment of three releases (or one year), you may cancel your membership at any time. Cancellations are accepted with written or email notification. All club discounts will be reversed if the cancellation is done before the one year commitment.

We are not liable for wines that have not been picked up for three months or more. We will offer you a new selection, which may require you to pay the difference or result in a credit on your account.
